Mayor Kreft stated that the purpose of the meeting was to discuss employee healthcare coverage for 2010.

Todd Zimmermann presented information on a Blue Cross/Blue Shield health insurance plan with various deductibles and also on a Health Savings Account (HSA) with various deductibles, each saving the City money (through lower premiums) as compared with the health insurance coverage through Medica currently in place. There were many questions asked by the Council, staff and/or their spouses about the HSA's. There was some opposition/concern expressed by staff/spouses about going to this type of plan. Some discussion was also held on contributions to the HSA, either by the City or staff.

Motion by Vrklan, seconded by Pederson, and passed by unanimous vote to adjourn the Special Council meeting at 6:27 pm.
