prior permission of the City of Arlington.

B. A person's possession and use of drugs in City Parks shall be in accordance with State laws.

C. As an additional regulation of personal conduct in City Parks, the following prohibition against consumption of an intoxicating liquor in City Parks, as set out in City Code Section 8.05 is hereby adopted by reference:

No person shall consume intoxicating liquor or 3.2 percent malt liquor in a public park, on any public street, sidewalk, parking lot or alley, or in any public place other than on the premises of an establishment licensed under this ordinance, in a municipal liquor dispensary if one exists in the city, or where the consumption and display of liquor is lawfully permitted. The City Council may, at its own discretion, make exceptions to this section for special events sponsored by community service organizations, or a city celebration, class reunion, family reunion, company party, or other special event group activity. The city, in granting any such exception, may set such terms for the event, as it deems appropriate to protect the public property and the rights of other users of the park area.
