SECTION 12. COUNCIL DISCRETION TO GRANT OR DENY A LICENSE.

The Council, in its sound discretion, may either grant or deny the application for any license or for the transfer or renewal of any license. No applicant has a right to a license under this ordinance.

SECTION 13. APPLICATION FOR LICENSE.

- (A) *Form.* Every application for a license issued under this ordinance shall be on a form provided by the city. An application for an on-sale intoxicating liquor license shall be in the form prescribed by the Commissioner of Public Safety and shall also contain the information required in this section. The form shall be verified and filed with the city. No person shall make a false statement in an application.

This proof will be filed with the city and the Commissioner of Public Safety. The application shall specifically describe the compact and contiguous premises within which liquor may be dispensed and consumed. The description may not include any parking lot or sidewalk.

SECTION 15. APPLICATIONS FOR RENEWAL.

At least 45 days before a license issued under this ordinance is to be renewed, an application for renewal shall be filed with the city. The decision whether or not to renew a license rests within the sound discretion of the Council. No licensee has a right to have the license renewed.

SECTION 17. INVESTIGATION.

- (A) *Preliminary background and financial investigation.* On an initial application for a license, on an application for transfer of a license and, in the sound discretion of the Council that it is in the public interest to do so, on an application for renewal of a license, the city may

conduct a preliminary background and financial investigation of the applicant or it may contract with the Commissioner of Public Safety for the investigation. The applicant shall pay with the application an investigation fee of \$500 which shall be in addition to any license fee. If the cost of the preliminary investigation is less than \$500, the unused balance shall be returned to the applicant. The results of the preliminary investigation shall be sent to the Commissioner of Public Safety if the application is for an on-sale intoxicating liquor license or an on-sale wine license.

- (B) *Comprehensive background and financial investigation.* If the results of a preliminary investigation warrant, in the sound discretion of the Council, a comprehensive background and financial investigation, the Council may either conduct the investigation itself or contract with the Commissioner of Public Safety for the investigation. The investigation fee for this comprehensive background and financial investigation to be paid by the applicant shall be \$500, less any amount paid for the initial investigation if the investigation is to be conducted within the state, and \$10,000, less any amount paid for the initial investigation, if the investigation is required outside the state. The unused balance of the fee shall be returned to the applicant whether or not the application is denied. The fee shall be paid in advance of any investigation and the amount actually expended on the investigation shall not be refundable in the event the application is denied. The results of the comprehensive investigation shall be sent to the Commissioner of Public Safety if the application is for an on-sale intoxicating liquor license or an on-sale wine license.

SECTION 18. HEARING AND ISSUANCE.

The Council shall investigate all facts set out in the application and not investigated in the preliminary or comprehensive background and financial investigations. Opportunity shall be given to any person to be heard for or against the granting of the license. After the investigation and hearing, the Council shall in its sound discretion grant or deny the application. No license shall become effective until the proof of financial security has been approved by the Commissioner of Public Safety.

The provisions of this division (E) shall not apply to any license existing on the effective date of this ordinance or to the renewal of an existing license.

SECTION 20. CONDITIONS OF LICENSE.

The failure of a licensee to meet any one of the conditions of the license specified below shall result in a suspension of the license until the condition is met.

- (A) Within 90 days after employment, every person selling or serving liquor in an establishment which has an on-sale license shall receive training regarding the selling or serving of liquor to customers.
- (B) Every licensee is responsible for the conduct of the place of business and the conditions of sobriety and order in it. The act of any employee on the licensed premises is deemed the act of the licensee as well, and the licensee shall be liable to all penalties provided by this ordinance and the law equally with the employee.
- (C) Every licensee shall allow any peace officer, health officer, city employee, or any other person designated by the Council to conduct compliance checks and to otherwise enter, inspect, and search the premises of the licensee during business hours and after business hours during the time when customers remain on the premises without a warrant.

- (B) No person shall consume nor shall any on-sale licensee permit any consumption of intoxicating liquor or 3.2 percent malt liquor in an on-sale licensed premise more than 30 minutes after the time when a sale can legally occur.
- (C) No on-sale licensee shall permit any glass, bottle, or other container containing intoxicating liquor or 3.2 percent malt liquor to remain upon any table, bar, stool, or other place where customers are served, more than 30 minutes after the time when a sale can legally occur.

SECTION 22. MINORS ON PREMISES.

- (A) No person under the age of 18 years shall be employed in any rooms constituting the place in which intoxicating liquors or 3.2 percent malt liquor are sold at retail on sale, except that persons under the age of 18 may be employed as musicians or to perform the duties of a bus person, host or dishwashing services in places defined as a restaurant, hotel, motel or other multi-purpose building serving food in rooms in which intoxicating liquors or 3.2 percent malt liquor are sold at retail on sale.

- (B) No person under the age of 21 years may enter a licensed establishment except to work, consume meals on premises that qualify as a restaurant, or attend social functions that are held in a portion of the premises where liquor is not sold.

SECTION 23. RESTRICTIONS ON PURCHASE AND CONSUMPTION.

No person shall mix or prepare liquor for consumption in any public place of business unless it has a license to sell on-sale, or a permit from the Commissioner of Public Safety under the provisions of M.S. § 340A.414, as it may be amended from time to time, which has been approved by the Council, and no person shall consume liquor in any such place.

SECTION 24. SUSPENSION AND REVOCATION.

- (A) The Council shall either suspend for a period not to exceed 60 days or revoke any liquor license upon finding that the licensee has failed to comply with any applicable statute, regulation, or provision of this ordinance relating to liquor, or, in the alternative, the Council may impose a fine of up to \$2,000 for each violation, or both a suspension and fine if the Council deems appropriate. Except in cases of lapse of proof of financial responsibility, no suspension or revocation shall take effect until the licensee has been afforded an opportunity for a hearing pursuant to the Administrative Procedures Act, M.S. §§ 14.57 to 14.70, as it may be amended from time to time. The Council may act as the hearing body under that act, or it may contract with the Office of Hearing Examiners for a hearing officer.
- (B) The following are the periods of suspension or revocation which may be imposed by the Council for violations of the provisions of this ordinance or M.S. Ch. 340A, as it may be amended from time to time or any rules promulgated under that chapter as they may be amended from time to time:
 - (1) For commission of a felony related to the licensed activity, sale of alcoholic beverages while the license is under suspension, sale of intoxicating liquor where the only license is for 3.2 percent malt liquor, or violation of Section 4, the license shall be revoked.
 - (2) The license may be suspended by the Council after a finding under division (A) that the licensee has failed to comply with any applicable statute, rule, or provision of this ordinance for the periods as follows:
 - (a) For the first violation within any three-year period, a one day suspension.
 - (b) For a second violation within any three-year period, three consecutive days suspension.
 - (c) For the third violation within any three-year period, seven consecutive days suspension.
 - (d) For a fourth violation within any three-year period, the license shall be revoked.
 - (3) The Council shall select the day or days during which the license will be suspended.
- (C) Lapse of required proof of financial responsibility shall affect an immediate suspension of any license issued pursuant to this ordinance or state law without further action of the Council. Notice of cancellation or lapse of a current liquor liability policy shall also constitute notice to the licensee of the impending suspension of the license. The holder of a license who has received notice of lapse of required insurance or of suspension or revocation of a license may request a hearing thereon and, if a request is made in writing to the Clerk, a hearing before the Council shall be granted within ten days. Any suspension under this division (B) shall continue until the Council determines that the financial responsibility requirements of state law and this ordinance have again been met.

- (D) The provisions of Section 25 pertaining to administrative penalty may be imposed in addition to or in lieu of any suspension or revocation under this ordinance.

SECTION 25. PENALTIES.

- (A) Any person, or the officers, owners or partners of any legal entity, including corporations, limited liability companies or partnerships, violating the provisions of this ordinance or M.S. Ch. 340A, as it may be amended from time to time, and of this ordinance. Conviction of a violation in a court of law is not required in order for the Council to impose the civil penalty. A hearing under the Administrative Procedures Act, M.S. §§ 14.57 to 14.70, as it may be amended from time to time, is not required before the penalty is imposed, but the Council shall hold a hearing on the proposed violation and the proposed penalty and hear any person who wishes to speak. Non-payment of the penalty by a liquor license holder upon whom the penalty is imposed is grounds for suspension or revocation of the license. The following is the schedule of civil penalties which may be imposed in addition to or as an alternative to any suspension unless the license is revoked:
- (1) For the first violation within any three-year period, a civil penalty of up to \$500.
 - (2) For the second violation within any three-year period, a civil penalty of up to \$1,000.
