

The City of Arlington offers a variety of rebates to its residential customers for the purchase and installation of energy efficient products through its We Save Home program.

The We Save Home program helps residential customers save energy and money. From rebates for the purchase of qualifying appliances and lighting fixtures to home energy audits, there are many ways residential customers can save.

WE SAVE HOME REBATES OFFERED IN 2015

- **ENERGY STAR CFL Bulbs** - Customers can earn a rebate for purchase of ENERGY STAR qualified CFL bulbs. Rebate is \$2/bulb or purchase price (whichever is less).
- **ENERGY STAR LED Bulbs and Fixtures** - Customers can earn a rebate for purchase of ENERGY STAR qualified LED bulbs and fixtures. For bulbs, the rebate is \$10 per bulb or 50% of the purchase price (whichever is less). For fixtures, the rebate is \$25 per fixture or 50% of purchase price (whichever is less).
- **ENERGY STAR Appliances** – Customers can earn a \$25 rebate when they purchase an ENERGY STAR qualified Refrigerator, Dishwasher, Dehumidifier, Clothes Washer, or Freezer.
- **Bonus Recycling Rebate** – Customers can earn a \$50 bonus rebate when they recycle a refrigerator or freezer.
- **Central Air Conditioner Tune-Up** – Customers can earn a \$25 rebate when they get a qualified Air Conditioner Tune Up performed by a licensed and insured heating/cooling contractor. This service improves the function of an A/C unit and saves the customer money.
- **Quality Installed Central Air Conditioner or Air Source Heat Pump** – Customer can earn a rebate for purchasing ENERGY STAR Central A/C or Air Source Heat Pumps that are quality installed. Rebates are \$225 (SEER 14.5-14.9), \$300 (SEER 15-15.9), and \$400 (SEER 16+).
- **Home Energy Audit** – When Customers pay for a home energy audit performed by a qualified, trained professional, they are eligible for rebates of \$115 for a basic audit or \$150 for an advanced/infrared audit.

For additional information on We Save Home Rebates, please contact your hometown electric utility weekdays during business hours.
