

# 2020 Sibley County No Spray Request Form

Annually Sibley County Public Works will spray county road ditches for noxious weeds. The spray is applied directly onto the noxious weeds. If you have questions on the chemicals being used, please contact our office for a list that will be used in 2020.

With proper scheduling, many farmers are allowing the spraying of noxious weeds and are able to continue to cut their hay. Please contact our office to discuss the spraying schedule and cutting details at 507-237-4092.

**Residents are required to flag the no spray zone area with "No Spray Zone - Owner Will Maintain" flags provided by Sibley County Public Works.** Flags are available at the Public Works office in Gaylord and at all county highway department garages in Arlington, Gaylord, Gibbon, Green Isle, Henderson, Winthrop and at the gate of the Sibley County Gravel Pit.

I (We), request that Sibley County Public Works DO NOT spray the road ditches adjacent to the county road (s) listed above. By signing this request so that Sibley County does not spray chemicals on my road ditch, I (We) (the landowner(s)/renter(s)) agree to maintain/remove the noxious weeds and brush that may grow in the specified road ditches, in their entirety. No spray areas that are not maintained will be sprayed by Sibley County Public Works.
