**Arlington EDA Offers \$1,000 Forgivable Loan for
New Child Care Providers**

The Arlington Child Care Loan Program provides an incentive to new child care providers to provide services in the City of Arlington.

The program provides a matching forgivable loan for actual expenses relating to the cost of opening a child care business in the City of Arlington, up to \$1,000 per child care provider. Qualifying expenses must be approved by the Sibley County Child Care Licensor and the Arlington EDA Director. Approved requests will be funded on a first-come/first-served basis until all funds are expended. In addition, the opportunity exists that the Arlington Economic Development Authority's revolving loan programs could be available to assist with the costs of opening a child care business.

Only new child care providers located within the City of Arlington are eligible for the loan program.

All items for which the child care provider is requesting funds must be approved by the Sibley County Licensor & the Arlington EDA Director.
