Code title, chapter, and section headings do not constitute any part of the law as contained in the code.

Any component code may be referred to and cited by its name, such as the "Traffic and Parking." Sections may be referred to and cited by the number, such as "1.01". Headings and captions used in this code other than the title, chapter, and section numbers are employed for reference purposes only and shall not be deemed a part of the text of any section.

1.02 RULES OF INTERPRETATION.

- (A) *Generally.* Unless otherwise provided herein, or by law or implication required, the same rules of construction, definition, and application shall govern the interpretation of this code as those governing the interpretation of state law.
- (B) *Specific rules of interpretation.* The construction of all ordinances of this city shall be by the following rules, unless that construction is plainly contrary to the intent of the legislative body or of the context of the same ordinance:
 - (1) *AND or OR.* Either conjunction shall include the other as if written "and/or," whenever the context requires.
 - (2) *Acts by assistants.* When a statute, code provisions or ordinance requires an act to be done which, by law, an agent or deputy as well may do as the principal, that task shall be satisfied by the performance of the act by an authorized agent or deputy.
 - (3) *Gender; singular and plural; tenses.* Words denoting the masculine gender shall be deemed to include the feminine and neuter genders; words in the singular shall include the plural, and words in the plural shall include the singular; the use of a verb in the present tense shall include the future, if applicable.

1.03 APPLICATION TO FUTURE ORDINANCES.

All provisions of this Chapter 1 compatible with future legislation shall apply to ordinances hereafter adopted which amend or supplement this code unless otherwise specifically provided.

It is the intention of the City Council that, when adopting this Code, all future amendments to any state or federal rules and statutes adopted by reference in this Code or referenced in this Code are hereby adopted by reference or referenced as if they had been in existence at the time this Code was adopted, unless there is clear intention expressed in the Code to the contrary.
