

By participating in the We Save program, you can save energy and earn a rebate when you purchase a new ENERGY STAR® certified appliance or recycle an operating refrigerator or freezer.

What rebate can I earn?

\$25 Rebate: Refrigerator, Freezer, Dishwasher, Clothes Washer, Electric Clothes Dryer, Dehumidifier

\$50 Rebate: Air Purifier, Recycling Bonus (Refrigerator or Freezer)

What does it mean to be ENERGY STAR Certified?

- **ENERGY STAR certified appliances have an ENERGY STAR logo on their yellow EnergyGuide label.**
- ENERGY STAR certified refrigerators are 9% more efficient than conventional models and 35% more efficient than older models.
- ENERGY STAR certified freezers are at least 10% more efficient than conventional models.
- ENERGY STAR certified dishwashers use less electricity and water than conventional models, saving an average of over 3,800 gallons of water over the lifetime of the unit.
- ENERGY STAR certified clothes washers use 25% less energy and 33% less water than conventional models.
- ENERGY STAR certified electric clothes dryers use 20% less energy than conventional models.
- ENERGY STAR certified dehumidifiers use 15% less energy than conventional models.
- ENERGY STAR certified air purifiers are over 25% more efficient than conventional models.

Rebate Qualifications and Program Rules

- Residential customers receiving electric service from the City of Arlington are eligible for rebates when they purchase ENERGY STAR certified appliances.
- See Rebate Forms Checklist below for required documentation. Incomplete rebate applications will not be processed. (Note: EnergyGuide labels not required for dehumidifiers, clothes dryers, and air purifiers.)
- **Appliances must be on ENERGY STAR list at time of purchase. If unsure, ask your retailer to confirm.**
- **To qualify for Recycling Bonus rebate, unit must be a secondary unit, in operating condition prior to removal, and proof of recycling must be provided.**
- Information on rebate application must match invoice.
- Customer must apply for rebate within one year of the purchase date shown on the sales receipt.
- Limit one rebate per appliance per customer account per year.
- Rebate requests are processed on a first-come first-serve basis. Annual rebate funds are limited. Rebate programs, qualifications, and amounts are subject to change at any time.
- Qualifying customers must apply for rebate by November 30, 2023.

Appliance Rebate Forms Checklist:

- Rebate Application
- Dated sales receipt
- EnergyGuide label with ENERGY STAR logo
(not required for dehumidifier, clothes dryer, air purifier)

Recycling Bonus Rebate Forms Checklist:

- Rebate Application
- Proof of recycling (receipt or certificate)
